

Citizens' Advisory Committee Notes
May 11, 2020
5:30pm via Zoom

Megan Read, Committee Co-Chair

Welcomed attendees and provided an overview of topics for the evening.

Board of Director's report: Nikki Lockwood, School Board Member

- Shared the School Board has met a few times so far via Zoom and has a great turn out
- Commented on her understanding as a parent all the navigating needed to support students from home during this time.

Superintendent's report: Dr. Shelley Redinger, Superintendent

- Provided a quick overview of the meeting, sharing that staff will provide updates on supports and will seek feedback from those present this evening.

Update on current activities in the District

Dr. Mark Anderson, Associate Superintendent

Dr. Linda McDermott, Associate Superintendent

Dr. Adam Swinyard, Associate Superintendent

Becky Ramsey, Director – Special Education

Updates were provide regarding the school closure plan; maintaining feeding service throughout the summer at the current 24 sites providing meals; looking at opening of summer Express and options; looking at options for summer programs considering a variety of different scenarios to have opportunities for students; delivering of instruction online for all students and supports provided; an update on multiple scenarios being considered when reopening school in the fall; and an update on special education supports and what options for services might look like in the fall.

Budget Information

Information regarding budget and future options will be considered at the next Regular School Board Meeting – [May 13, 2020](#)
